

Trainee Automotive Electrical Technology - Recreational Vehicles. THIS IS NOT AN AUTO ELECTRICAL POSITION.

Maddington.

Celebrating 21 years, Install A Gadget is Perth's premier 12 volt specialist in the caravan and camping Industry. We design and build off-the-grid battery and solar power systems and install an array of 12 volt accessories for caravans, 4WD's, camper trailers, motorhomes etc.

We are a busy, small family business, looking for an enthusiastic junior with a solid work ethic and passion for a career in the Recreational Vehicle and Auto Electrical Accessory Industry. Install A Gadget is known for exceptional quality so the successful applicant will have a sharp eye for detail and a strong drive for excellence.

Please note this is not an Automotive Electrician position.

Job description:

- • Installer and Workshop General Hand
- • Full-time. Min 40 hours a week
- • Two year Traineeship to become a Licensed Motor Vehicle Repairer for Electrical Accessory Fitting Work (ELW)
